<u>Sprint Backlog</u>

<u>Sprint 1:</u>
1. SignUp
   a. As a user, I want to see the sign up page when I open the app for the first time, so that I can create a new account.
2. Sign In
   a. As a user, I want to see the sign in page when I open the app again, so that I can login with my info and use the app
3. Password Recovery
   a. As a forgetful student, I would like a forget password option so that I can have a way to still get in if I forget it.
4. Security Email
   a. As a student, I would like to be emailed if multiple fail attempts occur so i can change my password if i need to.

<u>Sprint 2:</u>
5. Answer Highlighted
   a. As a student, I want to see the answer choice that I picked highlighted, so that I know I clicked the one I wanted.
6. Submit Answer
   a. As a student, I want to click on 'submit', so that I can finalize my answer.
7. Correct Answer
   a. As a student, I want to see the answer choice turn green when it is correct after I submit my answer, so that I know I answered the question correctly.
8. Incorrect Answer
   a. As a student, I want to see the answer choice turn red when it is wrong after I submit my answer, so that I know it is not the correct answer.
9. Show Answer
   a. As a student, I want to see the answer after a few incorrect tries, so that I know my mistake.
10. Level Repeat
    a. As a student, I would like to have the option to repeat levels so that i can further study if i feel i need to.
11. Hints
    a. As a learner, I would like the option of hints so that I can figure out how to move ahead when I am stuck.
12. Progress Bar
    a. As a user, I want to see my progress in a progress bar, so that I know how far I have gotten in the levels.

<u>Sprint 3:</u>

13. View Higher Levels
    a. As a student, I want to be able to see higher levels, so that I can be prepared.
14. Locked Levels
    a. As a student, I want to see that the higher levels are locked, so that I know I still have to work on the previous levels.
15. Short Tutorial
    a. As a student, I want to see short tutorials (sample questions) at the end of lectures, so that I can be prepared for the challenges.
16. App Tutorial
    a. As a simpleton, I would like to have a button that will show how to use the app so that I know how the app works.
17. Pretest
    a. As a student with prior experience, I would like the option to test out of subjects I am confident I know so that I can focus on the topics I am unfamiliar or struggling.
18. Resource Link
    a. As a studious student, I want to be able to click a link to other resources, so that I can understand the concepts better.
19. Feedback
    a. As a customer, I want to leave feedback, so that I can give suggestions on improving the app.
20. Bug Reporting
    a. As a customer, I would like to leave feedback so that I can report any bugs in the game.
21. Frequently Asked Questions (FAQS)
    a. As a customer, I want to see frequently asked questions, so that I do not have to ask the same questions again.
22. Completion Certificate
    a. As an ambitious student, I would like a certification of completion at the end to show my teacher and friends that I mastered the app.
23. Progress Snapshot
    a. As a student, I would like to email myself my progress so that I can show people what I have accomplished.
24. Skill Mastery
    a. As a student, I want to see a notification when I score 80% on a challenge, so that I know I have mastered the skill.
25. Perfectionist Medal
    a. As a student, I want to earn a medal when I score 100% on all challenges, so that I can feel good about being a "perfectionist".
26. Erase Data
    a. As a user, I want to erase my data, so that I can start fresh.
